**Subject:** RE: cancel todays call

Thank you for letting us know. I will cancel the meeting we have scheduled at 1:00 pm today. Please let me know if you would like me to reschedule.

I am in the process of finalizing the information CHK provided to EPA during our MIT meeting. I would like to speak with you in more detail regarding the potential for micro seismic. Specifically, CHK would like to know if micro seismic has been identified by the EPA as a necessary/critical component of the study?

Would you mind providing us an estimated time line for the QMP approval and CHK receiving a copy?

Thanks,  
Chris
